Register today, save, and receive the same corporate visibility regular sponsors would receive at this year's Latino Community Expo.

The Western Massachusetts Latino population is one of the largest in the state of Massachusetts. Hampden County is now home to about 70,000 Latinos, according to the U.S. Census Bureau.

Latino Community Expo is expected to attract approximately 1,500 residents of Western Massachusetts. This is a great opportunity to showcase your business and services directly to the Latino Community.

Exhibit your products and services and meet residents of our surrounding communities.
