

Who we are?

The Massachusetts Latino Chamber of Commerce is an enterprise conduit, a link and forum within Massachusetts's network of Hispanic social service organizations, business associations, firms, groups and individuals working to establish and expand business opportunities; to encourage and build mutually beneficial ties with the public and private sectors; and to serve as a proactive and visible advocate in the Hispanic business arena.

Why?

The growing Latino community is here and eager to establish itself as a powerful and expanding business base, with the right resources, benefits and incentives, the Latino business community will generate millions of dollars for the state and local economies.
